MERCILESS SKIES

Shed No Tears On Suffering Southwest

NO HELP YET IN SIGHT

The Destruction of Crops Becomes More Certain Than Ever-The Drouth In One Place Was Ended by a Terrific Storm-The Serious Condition of the Cities In the Stricken Region.

Kansas City, Mo., July 14.-No relief cedented drouth in the southwest. The weeks, with reports from many places in western Missouri, Kansas and the territories of a temperature over the bundred mark. 'At most places the sun ful cloud to break its rays, nor a slight breeze.

In Kansas City, last night proved more bearable, a breeze from the north prospect of rain in Oklohoma, but there ere no indications of a change from any other part of the southwest.

of water and generally dry conditions make the element of fire almost a serious one. What the real damage to the corn crop most affected will be is probematical, but it is probably safe to say that half the crop will be lost.

THE TIME IS SHORT.

Ardmore, I. T., July 14.—Reports from the cotton belt show that cotton is be-

BROKEN IN ONE PLACE.

Dennison, Tex., July 14.-The worst drouth ever experienced in this section would be to assure a good native govwas broken this afternoon by a terrific ernment and thereby avoid the risks rainfall of over two hours' duration, the and compdications. But Morocco must volume of rain being almost equal to maintain complete independence, a cloudburst. The storm was accompanied by a wind of almost tornado force. powers must not be permitted. stock water, which had entire! the lowland cotton.

A FIERY EFFECT.

Enid, O. T., July 14.-Four blocks of business houses on the public square were destroyed by fire in less than three hours' time by a fire that started after midnight tast night. The water supply was inadequate and it was necessary to blow up buildings with dynamite to check the flames.

Owing to the continued drouth everything burned like match wood. A light wind blew from the southeast and saved the eastern portion of the town. total loss is estimated at \$180,000. invurance will be light.
